Since 2018, we've spent more than 30 hours and raised over \$40,000 together, both virtually and in-person to raise awareness and help prevent suicide.

Why support the 2023 Eddie Chambers 5K?

Suicide is the **second** leading cause of death between ages 10-14 and the **third** leading cause of death between ages 15-24 – and it is preventable. According to the World Health Organization (W.H.O.), an estimated [703,000](https://www.who.int/news-room/fact-sheets/detail/suicide) people a year take their life around the world, and there likely 20 other people making a suicide attempt at the same time. Through support of each other, we can show those struggling with suicidal thoughts that we want to help them. With your support, we'll be one step closer to achieving our goal of crushing the stigma surrounding mental illness and helping to prevent suicide.

Our story.

M.I.A.S.P., or Mental Illness Awareness and Suicide Prevention, is the non-profit group that was created after the loss of a peer, close friend, and brother, Edward Chambers. The Board of Directors consists of Chloe Rich, Jack Sharpe, Isabelle Laizure, Olivia Drake, and Jada Tessier. Formed in August 2018, this group made steps to attain official non-profit status with the state of New Hampshire and raise \$20,000 for suicide prevention in one year. By January 2019, from bracelet sales and donation alone, the group had already raised just over \$4,000 and planned their First Annual Edward Chambers 10/10 Relay Challenge, with a fundraising goal of \$10,000.

In May of 2019, M.I.A.S.P. exceeded their fundraising goal of \$10,000 for the First Annual Edward Chambers 10/10 Relay Challenge, raising just over \$25,000 in their first fiscal year. Since then, the group has gone on to create a high school and college scholarship fund, ongoing funds at the Community Mental Health Centers in New Hampshire, support local organizations like the Liberty House and much more.

Sponsor the Eddie Chambers 5k and show our community that you're a voice for suicide prevention.

MIASP educates and fights to prevent suicide for all.

Funds raised from our events allow us to continue supporting our local organizations and community health centers so people who are struggling have resources and places to go. With your support, we can and **will** make a difference in the lives of many in the community.

I look forward to discussing our 2023 sponsorship opportunities and benefits with you in more detail.
