

MIASP Eddie Chambers Memorial Scholarship - NH High School Students

This scholarship is in honor of a Manchester West High School student Eddie Chambers, who tragically took his life in 2016. In his name, we, 5 students of the Manchester School District, created Mental Illness Awareness and Suicide Prevention, a non-profit organization dedicated to spreading awareness and fighting the stigma surrounding mental illness in New Hampshire. This scholarship was created to aid students in New Hampshire interested in following our mission who are receiving a post-secondary education. Our team at MIASP feels an interest in community service and social work/psychiatry/behavioral science is incredibly important to encourage in students in order to make a change in the mental health world and would like to offer a \$1,500 scholarship to students who show exceptional passion for community service and who express deep interest in studying social work/psychiatry/behavioral science in post-secondary education.

Eddie Chambers Memorial Scholarship Requirements:

- Be a resident of New Hampshire
- Be a High School senior
- Complete the scholarship application form
- Submit one (1) resume with one (1) letter of recommendation and a 250-1500 word essay describing why you want to study social work/psychiatry/psychology/behavioral science *or* your involvement with mental health and/or suicide prevention and its importance to you
- Have completed at least 20 hours of community service during high school
